Wes made a motion to approve the bills. Jeanne seconded and passed.

Chiefs report

Two fires @ the same time.

That the fire department had training on Oct. 19.

Shelly asked what training Paige Mosse has to be an instructor?

Chief said none, she is willing to do the training. Worked in the academy.

Paige and Jason have both signed up for training for Dec. and Jan.

Shelly asked when classes for FF1 & FF2 start, and who has signed up. Chief said 7, and he would get in touch with Shelly and let her know names and physicals.

Ladies Auxiliary has purchased 4 Indian packs and 2 pike polls.

Old Business

Waiting on a quote from Eric Peterson, to take off the lettering on the boat. A suggestion of covering lettering with a patch was made. Jeanne said we should wait until there is some interest in the boat before we remove the lettering.

Shelly asked more about the seminar. It was a great seminar!
Funds available for batteries and free smoke alarms for our community. Lots about training requirements.

Mike Mix agrees, lots of info and huge amounts of changing coming.

Chief said, Paige is working on putting the trainings on computer. So if the State does come, they are not looking through papers.

Myosha standards changing- trainings and more regulations. About the way the fire department is runs. Look @ the board and requirements and make attempts to get some things done.

State Fire Marshal will take a call anytime. He will show up with the proper people to help us get started. Free of charge.

Annual seminar, Chief feels that all Fire officers should attend.

Ordinance and billing

Trying to figure out a program that will please the auditor.

Send out to a billing company?

Talk to Chris and see if she is willing to do it. Or at least get us on the right track.
